Family Hub

Children's Centres are developing into Best Start Family Hubs.

We want to hear your views about Children's Centres and Family Hubs and the support they provide.

The consultation has launched to understand which centres you are using, the support and activities you use and where improvements to the offer can be made.

The consultation also asks about a proposal to use community venues, such as schools and church halls, to deliver some of the services.

Share your views via the online survey which you can access using the QR code below:

The survey takes around 5 minutes to complete and is open until 10 August 2026.
